Dispensing Fees:	Ready-prepared	\$8.88
	Dangerous drug fee	\$5.50
	Extemporaneously-prepared	\$10.92
	Allowable additional patient charge*	\$3.45
Additional Fees (for safety net prices):	Ready-prepared	\$1.48
	Extemporaneously-prepared	\$1.91
Patient Co-payments:	General	\$31.60

* The allowable additional patient charge is a discretionary charge to general patients if a pharmaceutical item has a dispensed price for maximum quantity less than the general patient co-payment. The pharmacist may charge general patients the allowable additional fee but the fee cannot take the cost of the prescription above the general patient co-payment for the medicine. This fee does not count towards the Safety Net threshold.

Summary of Changes

These changes to the Schedule of Pharmaceutical Benefits are effective from 1 August 2025. The Schedule is updated on the first day of each month and is available on the internet at www.pbs.gov.au.
