	Dangerous drug fee	\$4.80
	Extemporaneously-prepared	\$9.78
	Allowable additional patient charge*	\$4.39
Additional Fees (for safety net prices):	Ready-prepared	\$1.29
	Extemporaneously-prepared	\$1.66

* The allowable additional patient charge is a discretionary charge to general patients if a pharmaceutical item has a dispensed price for maximum quantity less than the general patient co-payment. The pharmacist may charge general patients the allowable additional fee but the fee cannot take the cost of the prescription above the general patient co-payment for the medicine. This fee does not count towards the Safety Net threshold.
