# Schedule of Pharmaceutical Benefits

Summary of Changes

**Effective 1 January 2020**

# Fees, Patient Contributions and Safety Net Thresholds

The following fees, patient contributions and safety net thresholds apply as at 1 January 2020 and are included, where applicable, in prices published in the Schedule —

Dispensing Fees:	Ready-prepared	\$7.39
	Dangerous drug fee	\$3.11
	Extemporaneously-prepared	\$9.43
	Allowable additional patient charge*	\$4.60
Additional Fees (for safety net prices):	Ready-prepared	\$1.25
	Extemporaneously-prepared	\$1.61
Patient Co-payments:	General	\$41.00
	Concessional	\$6.60
Safety Net Thresholds:	General	\$1486.80
	Concessional	\$316.80
Safety Net Card Issue Fee:		\$10.27

\* The allowable additional patient charge is a discretionary charge to general patients if a pharmaceutical item has a dispensed price for maximum quantity less than the general patient co-payment. The pharmacist may charge general patients the allowable additional fee but the fee cannot take the cost of the prescription above the general patient co-payment for the medicine. This fee does not count towards the Safety Net threshold.

# Summary of Changes

These changes to the Schedule of Pharmaceutical Benefits are effective from 1 January 2020. The Schedule is updated on the first day of each month and is available on the internet at [www.pbs.gov.au](http://www.pbs.gov.au).

## DHS Complex Authority Administration s100 items – current at January 2020

The list includes:

- Section 100 HSD items identified in the s100 HSD legal instrument as ‘Complex Authority Required (CAR)’. Authority approval requests for these items are made to the DHS Complex Drugs team, currently located in Tasmania.
  - Items that are Authority Required Streamlined appear with an \*
- Section 100 Efficient Funding of Chemotherapy (EFC) items where the processing of the application for an authority to prescribe the item has a high degree of complexity. These applications are also made to the DHS Complex Drugs team and are handled in that same way as the s100 HSD CAR items.
