Schedule of Pharmaceutical Benefits

Summary of Changes

Effective 1 March 2020

Fees, Patient Contributions and Safety Net Thresholds

The following fees, patient contributions and safety net thresholds apply as at 1 March 2020 and are included, where applicable, in prices published in the Schedule —

| | | |
|--|--------------------------------------|-----------|
| Dispensing Fees: | Ready-prepared | \$7.39 |
| | Dangerous drug fee | \$3.11 |
| | Extemporaneously-prepared | \$9.43 |
| | Allowable additional patient charge* | \$4.60 |
| Additional Fees (for safety net prices): | Ready-prepared | \$1.25 |
| | Extemporaneously-prepared | \$1.61 |
| Patient Co-payments: | General | \$41.00 |
| | Concessional | \$6.60 |
| Safety Net Thresholds: | General | \$1486.80 |
| | Concessional | \$316.80 |
| Safety Net Card Issue Fee: | | \$10.27 |

* The allowable additional patient charge is a discretionary charge to general patients if a pharmaceutical item has a dispensed price for maximum quantity less than the general patient co-payment. The pharmacist may charge general patients the allowable additional fee but the fee cannot take the cost of the prescription above the general patient co-payment for the medicine. This fee does not count towards the Safety Net threshold.

Summary of Changes

These changes to the Schedule of Pharmaceutical Benefits are effective from 1 March 2020. The Schedule is updated on the first day of each month and is available on the internet at www.pbs.gov.au.
