Dispensing Fees:	Ready-prepared	\$8.37
	Dangerous drug fee	\$5.18
	Extemporaneously-prepared	\$10.41
	Allowable additional patient charge*	\$3.29
Additional Fees (for safety net prices):	Ready-prepared	\$1.40
	Extemporaneously-prepared	\$1.80
Patient Co-payments:	General	\$30.00

\* The allowable additional patient charge is a discretionary charge to general patients if a pharmaceutical item has a dispensed price for maximum quantity less than the general patient co-payment. The pharmacist may charge general patients the allowable additional fee but the fee cannot take the cost of the prescription above the general patient co-payment for the medicine. This fee does not count towards the Safety Net threshold.
