Schedule of Pharmaceutical Benefits

Summary of Changes

Effective 1 January 2025

Fees, Patient Contributions and Safety Net Thresholds

The following fees, patient contributions and safety net thresholds apply as at 1 January 2025 and are included, where applicable, in prices published in the Schedule —

Dispensing Fees:	Ready-prepared	\$8.67
	Dangerous drug fee	\$5.37
	Extemporaneously-prepared	\$10.71
	Allowable additional patient charge*	\$3.45
Additional Fees (for safety net prices):	Ready-prepared	\$1.45
	Extemporaneously-prepared	\$1.87
Patient Co-payments:	General	\$31.60
	Concessional	\$7.70
Safety Net Thresholds:	General	\$1694.00
	Concessional	\$277.20
Safety Net Card Issue Fee:		\$12.38

* The allowable additional patient charge is a discretionary charge to general patients if a pharmaceutical item has a dispensed price for maximum quantity less than the general patient co-payment. The pharmacist may charge general patients the allowable additional fee but the fee cannot take the cost of the prescription above the general patient co-payment for the medicine. This fee does not count towards the Safety Net threshold.

Summary of Changes

These changes to the Schedule of Pharmaceutical Benefits are effective from 1 January 2025. The Schedule is updated on the first day of each month and is available on the internet at www.pbs.gov.au.
