	Dangerous drug fee	\$5.73
	Extemporaneously-prepared	\$11.28
	Allowable additional patient charge*	\$2.79
Additional Fees (for safety net prices):	Ready-prepared	\$1.54
	Extemporaneously-prepared	\$1.99
Patient Co-payments:	General	\$25.00
	Concessional	\$7.70
Safety Net Thresholds:	General	\$1748.20

* The allowable additional patient charge is a discretionary charge to general patients if a pharmaceutical item has a dispensed price for maximum quantity less than the general patient co-payment. The pharmacist may charge general patients the allowable additional fee but the fee cannot take the cost of the prescription above the general patient co-payment for the medicine. This fee does not count towards the Safety Net threshold.
