Summary

Webster Multi Dose Header Cards are printed on Multi Dose Header Cards (Blank Community Header Cards). They are A5 in size and can fit up to 8 medications and 4 timeslots per header card. Using the "times override" option will result in the dosage times printing at the bottom of the header card instead of the drugs, but this feature can only be enabled by Fred Help Staff who can be contacted on 1300 731 888
